About the Conference

ICANM 2017 will take place from August 7 to 9, 2017 at Four Points by Sheraton Toronto in the spectacular Toronto.

ICANM 2017 is an opportunity to network with some of the world's leading scientists, and to experience the vibrant culture and to explore the natural wonders of Toronto. ICANM2017 will provide a forum to exchange information, present new technologies and developments, and discuss the future direction, strategies and priorities in the field of materials and nano technology.

Submit Abstract

Three (3) options are available for abstract submission:

- Oral Presentations (paper).
- Poster Presentations:
- Skype Presentation: is for authors who cannot join the conference for their presentation.

Abstracts can address all aspects of advanced and nano materials.

All abstracts are subject to review by the Technical Program Committee and must be received by the deadline for consideration.

To submit your abstract or for additional information please visit the conference website at <http://icanm2017.iaemm.com>.
